

POLY 40

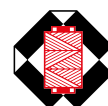

Polyester Embroidery Thread- Colourfast to Chlorine

Indestructible Even for Heavy Usage!

POLY 40 is a hard-wearing thread made of 100% polyester; it is tear-resistant, colourfast against chlorine, resistant against high water temperatures and bleaching agents. With these outstanding properties, this yarn is recommended for use on workwear, jeans, caps, mats, horse blankets, etc. Due to its smoothness, it is easy to process and the choice of colours leaves nothing to be desired.

GUNOLD[®]

POLY 40 **VEGAN**
